Arnhem Local Council

Date	2019-09-25
To discuss	Motion
Motion presented by	Elfrink Hegge Wiggers Manders Venhoek
Motion titel	Terminate the biomass power plant in Arnhem
Case number	19M106g

The Council, after hearing the debate,

noting that;

[new facts have become known about the emissions of biomass power plants,](#)

taking into account that,

the permits should never have been issued in this way if these facts had been known at the time,

believes that,

the opening of the biomass power plant at Kleefse Waard in Arnhem should be considered undesirable,

positions itself

- against wood-fired biomass power plants,
- for the closure of the biomass power plant on the Kleefse Waard,

calls on the college,

- to start the discussions with the Provincial Executive of the Province of Gelderland,
- to place the ruling of the municipal council on the closure of the Kleefse Waard biomass power plant on the agenda of that meeting,
- to urge the College of Provincial Executive to reassess the nature and environmental permit for the biomass power plant at the Kleefse Waard,
- Report on the outcome of this interview in 2019, the council before Oct. 15. and proceeds to the order of the day,

Elfrink (SP), Hegge (Partij voor de Dieren), Wiggers (Arnhemse Ouderen Partij),
Manders (Arnhem Centraal), Venhoek (D66)
